

Dimension sheet — one letter per measurement, all in cm

BEDROOM — write each length in cm

BATHROOM — write each length in cm

dark circle = wall, corner to corner red circle = opening, CLEAR WIDTH
gold dashed = diagonal, inside corner to inside corner
f and t run corner to corner STRAIGHT THROUGH the doorway in that wall.
Not on the drawing, measure anyway: h = height of g j = height of i v = height of u
m + n = ceiling spot 1 (floor-to-seat, then seat-to-ceiling) o + p = ceiling spot 2
y + z = bathroom ceiling, same two parts. ALL VALUES IN CENTIMETRES.
